

Euro-BioImaging Events

Terms & Conditions

Consent on processing of personal data

By registering in this event, you consent that Euro-BioImaging ERIC processes your data. We will use your personal information to:

- process your registration and facilitate your attendance at the event
- provide you with information regarding the event, including scheduling and logistics
- provide you with other information that we believe may be of interest to event attendees.
- provide you with accounts to access any digital event platforms and software in use for the event
- promote our events by sharing pictures and video materials taken during the event

We may also share personal information (other than payment information) of conference/course attendees (e.g. in the abstract book, on the event app, on the virtual event platform(s) or in other event softwares) with the other persons attending the same event. The purpose of this is to enable conference/course attendees to contact each other prior to, during or after the conference/course for networking purposes.

Consent on usage of photographic and video material taken at Euro-BioImaging ERIC

In registering for a Euro-BioImaging event, you consent that we may include images of yourself for material used in various publications, press releases, promotional activities, or other related endeavors, for non-commercial purposes connected with the defined tasks and activities of Euro-BioImaging ERIC. This material may also appear on Euro-BioImaging's internet web page or related social media pages. Should you not agree to be part of the photographic and video material or would like to have your pictures deleted, please inform us via by sending an e-mail to info@eurobioimaging.eu or contact one of our colleagues providing assistance during the event. The event may be recorded. In case you don't want your image taken, please turn off your camera. Also, do not include your name in zoom if you

do not want it to be shared. Data will be processed under GDPR and you have the rights listed therein.

Data processing

Data will be processed under GDPR and you have the rights listed therein.

Compliance with acceptable behaviour rules

Euro-Biolmaging ERIC is committed to a safe, respectful, collaborative and inclusive environment in the events it organises, either in person or virtually. By registering in this event, you accept to behave in a respectful way and to comply with the rules indicated below:

- Harassment, intimidation or discrimination in any form is not tolerated. Examples include but are not limited to: (i) comments related to age, appearance, disability, ethnicity, gender, gender identity and expression, geographic location, nationality, physical appearance, professional level, race, religion and sexual orientation; or (ii) threatening or stalking any attendee, speaker, volunteer, sponsor, Euro-Biolmaging ERIC staff member, service provider or any other meeting guest.
- Presentations and discussions, either in the presentations or in the breaks, should always be professional and respectful in tone and content; and appropriate for a professional audience also considering the diversity of backgrounds.
- The use of offensive language or engaging in personal attacks, either in person or in online/social media postings, or disrupting the event, will not be tolerated.
- All participants shall comply with the instructions of the moderator and any Euro-Biolmaging ERIC event staff.
- The reproduction or repurposing of presentation materials in any way without the express consent of the presenter is not permitted. Unpublished data presented at Euro-Biolmaging events should be regarded as confidential, and should not be published.
- Broadcasting the event to unregistered participants, or sharing with others any links to the sessions, software or virtual platforms that have been provided to you as a registered participant is not permitted.

These rules shall be complemented by the applicable national law or internal regulations or policies, such as the Code of Conduct for Euro-Biolmaging staff.

Please contact any of the Euro-Biolmaging staff at in-person events or reach us at info@eurobioimaging.eu if you have questions or experience any violation of the acceptable behaviour rules above.

Euro-BioImaging ERIC reserves the right to take any action deemed necessary and appropriate, including immediate removal from the event without warning or compensation in response to any incident of unacceptable behavior or breach of these rules.

Liability

Euro-BioImaging shall not be liable for any loss or damages except in case of gross negligence or willful misconduct on its part. Euro-BioImaging shall never be liable for loss of revenue or profits or any other direct, indirect, or consequential loss or damage.

Euro-BioImaging shall be held free and harmless from any loss and damage, including personal injury and death and related legal costs, resulting from the acts or omissions of a participant to a Euro-BioImaging event.

Participants will be responsible for the costs of travel to the location of the event, accommodation, meals not included in the programme of the event, local transport and other living expenses; as well as for travel and visa arrangements. Participants are advised to make appropriate arrangements for their own medical, repatriation and travel insurance and or flexible travel booking, including coverage for loss of, or damage to, their belongings. For the avoidance of doubt, Euro-BioImaging does not accept liability for costs committed to by participants or associated with their attendance to Euro-BioImaging events.
