**Letter of Commitment by the Hosting Institution
Euro-BioImaging Node – Expression of Interest**

Dear Sir/Madam,

With this letter *[Name of University/Institute/Legal entity hosting the imaging facility]* expresses its interest to become a Euro-BioImaging Node as an integrated part of the pan-European research infrastructure Euro-BioImaging ERIC and commits to provide support to the future Euro-BioImaging Node.

[Name of University/Institute/Legal entity] submits the Expression of Interest including all required information for demonstrating its eligibility as well as scientific and technical excellence required for becoming a Euro-BioImaging Node.

In case of successful evaluation in this call, and if funding for construction and operation of the new capacity of *[Name of University/Institute/Legal entity]* is granted by *[Name of national funder]*, *[Name of University/Institute/Legal entity]* guarantees to provide open access for Euro-BioImaging users to at least 50% of this new capacity as part of the Euro-BioImaging ERIC infrastructure.

In addition, if *[Name of University/Institute/Legal entity]* will become a Euro-BioImaging Node, *[Name of University/Institute]* will provide its expertise in *[scientific field(s) of expertise]* and related infrastructure *[list e.g. animal facilities, administrative support, infrastructure, housing]* for supporting the Euro-BioImaging Users of the future Euro-BioImaging Node.

[Name of University/Institute/Legal entity] represented by *[Name of legal representative]* recommends *[Name of contact person]* as contact person for Euro-Biolmaging ERIC.

Contact:

[Address and email of contact person]

Yours sincerely,

[Date, Signature Legal Representative of Applicant]
